STANDARD ARTS + CRAFTS BLADES

BLADES NOT SHOWN ACTUAL SIZE

Quality counts, every time. This is the philosophy behind our commitment to providing a durable, precise cutting blade. Swann-Morton blades are manufactured with high-quality standards that ensure exceptional blade precision and durability. The blades in this range are manufactured from non-sterile carbon steel and are packaged individually wrapped. Sterile stainless steel blades are also available and are packaged in metal foil packets. Choose the blades that suit your project best, then pair them with one or more of our wide range of craft knives and handles.
